# CAREER CONNECTIONS

Having employment where you feel your contributions matter and are appreciated is something we all desire. Not only does it provide a paycheck, it leads to friendships and helps people feel successful. Through Career Connections, a non-profit organization owned and operated by LifeQuest, people are able to find employment that fits their personalities, skills and interests.

## A PROGRAM THAT WORKS IN OUR COMMUNITY!

Career Connections provides support and assistance to area employers so that the job match is a positive experience for all involved. Through the thorough and meaningful job placement process, our community partners know they can trust us to fill positions with the right people. The business community offers amazing opportunities for LifeQuest, and we are grateful for every new connection!

#### » **Job shadowing**
